THUNDERHOOPS
Basketball Shooting Camp

accommodating all levels of ability from beginner to expert

**barrie east bayfield
recreation centre**
three one week sessions
in july 2019

a week of excitement, a lifetime of memories
ontario's premier summer basketball camp

hustle and heart set us apart

Thunderhoops Basketball Shooting Camp is in its 26th year of operation and is one of the largest basketball day camps in Ontario. In its 26 years of operation, **Thunderhoops** has grown from a one week camp of 60 campers, to a camp of three weeks, accommodating 600 campers. **Thunderhoops** is in its second generation of campers. Campers, who attended in the early days, are now bringing their children to **Thunderhoops**. How cool is that?! Thunderhoops has sold out the last 19 years in a row. Whether you are a beginner or an expert, **Thunderhoops** diversified program caters to the needs of all players. Paul and Marty have developed what they feel is the most efficient method of teaching young people how to shoot the basketball, and how to put them in a position to score. Improving the camper's confidence and self esteem happens naturally through the programming at **Thunderhoops**. **Thunderhoops** has taught over 9500 campers over the past 26 years.

Coach McCrone and Coach Hopper were honored in 2001 by the **City of Orillia** for their contribution to City Basketball programs. The **Barrie Royals Basketball Association** presented the pair with the prestigious "Kort" award, for their outstanding contribution to basketball in the **City of Barrie**

testimonials

"Thank you for being such a positive force in our son's life, and all the Thunderhoops family's lives." - Parent

"My neighbour told us about the camp. I can't believe I hadn't heard of it before. What a first class operation. My kids will be back again next year with more of their friends. I just wish I had known of Thunderhoops before now." - Parent

"My daughter has never woken up happy before 8am (unless its Christmas, her birthday or a special day) so this is a first." - Parent

"Both our children came home from camp every day and showed us, on the driveway, what they learned at Thunderhoops that day. Their confidence level has increased dramatically." - Parent

"I wish to extend to you and your staff our sincere appreciation for a fantastic basketball camp experience. Connor has grown through our approaches to teaching basketball skills and the values of being a good team player. In particular, the variety of activities balancing learning with fun maximized the objectives as proposed in your brochure. There was an excellent opportunity to meet new friends in a team setting." - Grandparent

past and present coaches

Thunderhoops camp staff is more of a family than a staff. Our Thunderhoops family is comprised of elementary and high school coaches. Along with our adult coaches, we have a number of coaches who are currently in university or high school. Most Junior coaches were previous Thunderhoops campers.
